Vimshamsha D20

This chart is also called upasana chart. Each sign is divided into 20 equal parts resulting in 1 degree 30 minutes as the measure of each part of vimshamsha.

Parahara method

The casting is done by Parashah method. For a planet in movable sign, the first vimshamsha starts from Aries, for a planet in fixed sign, the starting is from Sagittarius and for a planet in dual sign, the starting is from Leo. In all cases the next vimshamsha occupy the next sign in direct order and so on. This is a cyclical varga.

Sun - Soul, Worship of Lord Shiva, The enlightenment, awakening, purity of mind and good temperament, playing musical instruments for inspiration. If Sun is in the sign of M oon or associated with Moon, the form of Shiva is Chandramauli. With Mars it is Veerbhadra, with Jupiter Dakshinamurty, with Mercury Meenakshi Sundareshwara, with Venus he is Ardhnariswara or with Parvati, with Rahu the form is Bhairav and with Ketu it is Chandekeshwara.

Moon - Mind, Bhakti, worship of Gauri, Parvati, the inspiration is by singing Bhajan, Tapasavi, Good teachers. Sankhya Philosophy or preachers. If M oon is in sign of Sun or associated with Sun then the worship will be of Tripura Bhairavi, with Mars it will be fierce form of Devi like Durga, with Mercury then Meenakshi, with Jupiter the benevolent form of Devi, with Venus then Vaishno Devi, with Rahu then worship Durga or Kali, with Ketu it is Chandi Devi.

Mars - Shakti, Valour, chantable nature, Samveda, kartikeya, Nyaya or Logic, Hanuman, self protection. Worship of Lord Narsimha is beneficial. When Mars is conjuct Saturn or in Sign of Saturn, then worships of Hanuman is essential.

Mercury - Speech, intelligence, Mimamsa, Lord Vishnu, well versed in Purana, Mantra and Yantra, Prayers to Lord Vishnu or the manifestations (Avtar) of Lord Vishnu are fruitful. Mercury under the influence of Sun, It is Lord Ram, with Moon, it is Lord Knshna, with Mars, it is Lord Narsimha, with Jupiter it is Lord Vamana, with Venus it is Lord Parsuram, with Saturn it is Koorma Avatar, with Rahu, then Varaha and with Ketu it is Matsya.

Jupiter - Narayan, Maha Vishnu, Sada Shiva, religious duties, Mantra, purity, supreme knowledge, Para Vidhya, Vedanta, Author. Jupiter in trines in Vimshamsha gives control over senses. You can worship Lord Brahma, Lord Shiva, Goddess Shakti, Lord Krishna in his updesh form. The inspiration is from chanting of Vedic Mantras. The blessing comes from saints or holy persons. An afflicted Jupiter in D20 is to be taken seriously to avoid any action which may invite curses from holy persons. Such person should rather serve the preceptors and seek their blessings.

Venus - Guru, Yajurveda, Laxmi, Gauri, Radha, Poetry, music, dance, charming speech. Vaisesika Philosophy since Venus is Guru of demons. Yakshini worship. One should worship the pure form of female deities. The malefic association with Venus especially of Rahu, Ketu or Saturn may lead the person towards tantirk practices.

Saturn - Narayan, Yog Sadhna, Brahma, Yama, traditions,

tapasvi, penance, dedication and concentration. Charitable, generous. Association of Saturn with Mars gives Karma Yoga. One should worship Dharam Raj and follow the nghteous path to have benefits. Ihe worship of Hanuman is also good. Saturn is not inauspicious and works under divine instructions without fear or favour.

Rahu - Durga, Shivalinga with serpents coiled around it, Lord Krishna as in Kaliya Mardana. Cunningness, schemer, tantra vidhya, tamsik practices. Worship of Mansa devi will be auspicious. Rahu conjunct with any planet in D20 imparts special skills to the significations of that planet.

Ketu - Final Salvation (Moksha), great penance, mantra, renunciation, Brahma Gyan, Vedant, Servant of Lord Shiva, observing silence (Mauna Vrata). Worship of Chandi Devi will be beneficial. Serving the holy persons will also be beneficial.

Salvation

Ketu is the karaka for salvation (el^K The Moksha trine is 4th, 8r and 12tr house. Ihe astrological conditions for progress to path of salvation and to attain it are given. These are taken from the books of Sh. K.N. Rao.

Birth Chart

1. The best placement for Ketu is twelfth house. Next is the placement in eighth house and the last is fourth house. Unassociated or unaspected Ketu is not good.
2. This Ketu should be with or aspected by fifth or ninth lord.
3. This Ketu is aspected by Jupiter.
4. No planet is combust.
5. A sanyasa yoga is present

Generally aspect of Jupiter on Ketu and the association of fifth or ninth lord with Ketu is considered good for progress of spirituality. It may not be a combination of salvation.

Sanyasa Yogas

1. When four or more planets, including lord of tenth house, are combined in a single house. The house occupied should be a Kendra or Trikona.
2. When Moon is in the sign of Saturn and is aspected by Mars or vice-versa. This should happen in birth chart, drekkana and navamsha. At least two of the above charts should have this.
3. Lord of the Moon sign is aspected by Saturn alone and no other

planet.

4. Lord of the Moon sign is aspected by all planets from a single house.
5. Jupiter occupy ninth house. The Lagna, M oon and Jupiter are all aspected by Saturn.
6. Combination of fifth and seventh lord in 10^{tr} or first house leads to ascetism after marriage.
7. Saturn aspecting Lagna or Lagna lord gives renunciation.
8. Moon in sign of Saturn in birth chart or in navamsha and has mutually exchanged sign with Saturn.
9. Mutual aspect between Venus, Saturn and Ketu. All three in mutual trine.

Examination of D20

1. All human beings have a divine presence in them. It is only the intensity that varies.
2. Look for Rajyoga, Dhan Yoga and Arishta yoga present in D20.
3. Lagna, fifth house and ninth house and their lords are the key for analysing vimshamsha chart. The signs of tenth house, twelfth house or fourth house of natal chart should not be the Lagna of vimshamsha chart. These are sixth, eighth and twelfth house from fifth house and are not conducive for progress on religious path.
4. Ninth house/lord should have benefic connections. When ninth lord is retrograde or with Rahu, will not follow the religion.
5. Exalted Saturn in ninth house give high spirituality.
6. Sun should be strong for high level of spirituality. Sun is best in exaltation, next is its placement in Scorpio or Leo.
7. Association of Jupiter and Ketu with fifth, eighth or twelfth house gives divine spark to the person.
8. Control of sex life is seen from Venus. A strong and unafflicted Venus is desirable.
9. Fifth lord should be unassociated to avoid attachment. Even Kartari on fifth lord gives strings. The fifth house should also be vacant.
10. The deity to be worshipped is chosen from -

a. The strongest planet in vimshamsha.
b. Fifth lord of vimshamsha.
c. Fifth lord of birth chart.
d. Ninth lord from karkamsha lagna and is checked for its association and placement in D20 to see advancement on religious path.

11. Concentrate on fifth house, fifth lord and Putra karaka.
12. Jupiter aspecting ninth house and Ketu gives ability and insight for deep astrological research (KNR). This is also true if found in Rashi chart (VPG) or in navamsha chart.
13. Conjunction of Atma karaka and Putrakarak at least in two divisional charts from Lagna, navamsha, dashamsha or vimshamsha is good for spiritual progress.
14. Association of Jupiter, Mercury, fifth lord or ninth lord with Ketu is checked for purity of devotion and progress.
15. Deviation from righteous path. A malefic combination involving sixth/eighth lord with Moon and retrograde Mercury. Such horoscope do not follow right path. This combination may give birth to a criminal. This is seen in rashi chart, navamsha and vimshamsha.

16. The sig nificator of the vimshamsha are -
    a. 9th house - Jupiter. It is the guru and the religious practice. Jupiter must be connected to ninth house or lord for following religious practice.
    b. 5th house - Venus. Venus is beauty and the lust for deity. A strong Venus gives addiction to God. Venus should be lord of fifth or placed in trines.
    c. 12th house - Ketu, Moksha. Total surrender to God.

Example 1

In the birth chart Ketu is with exalted ninth and twelfth lord and aspected by fifth lord Saturn. A connection of Ketu with fifth lord, ninth lord and twelfth lord is strong in twelfth house.

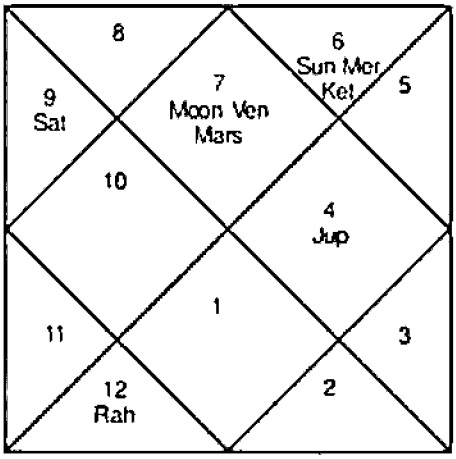

N inth house of birth chart rises in vimshamsha.

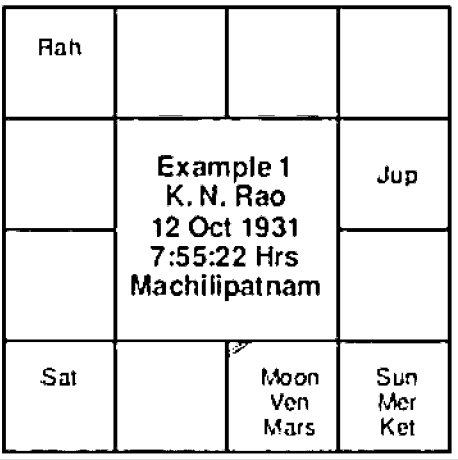

Lagna of vimshamsha chart is occupied by fifth and twelfth lord Venus. Saturn, the ninth lord aspects Venus. Tie relation of ninth, fifth and twelfth is again repeated in the Lagna of D20.

The planets with strength are Moon and Mercury as both are exalted. Mercury is lord Vishnu and Moon is the Krishna Avatar. Aspect of digbali Saturn on Mercury gives a great sense of discipline and capacity to undertake ntuals with dedication and concentration.

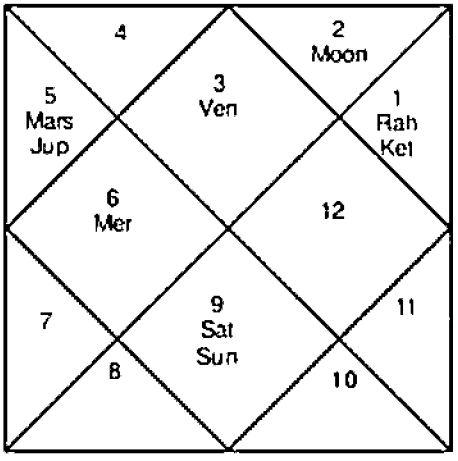

M ercury gives proficiency in receitation of Mantra, puranasand is the significator of Mimansha philosophy.

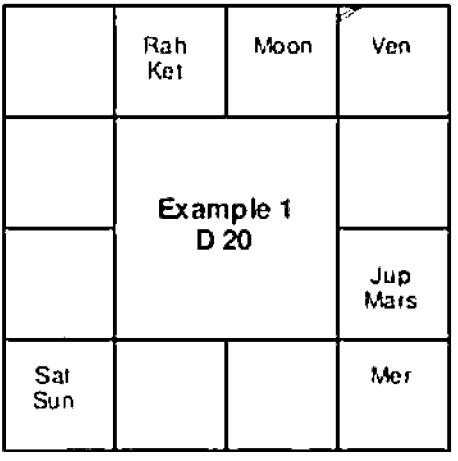

Mercury is placed in Varahi vimshamsha, Lord Vishnu in Varaha Avtar rescued the world and the religious activity is directed towards welfare of mankind. Mercury is in fourthhosue and aspected by
