Shashtamsha D6

Each sign is divided into six equal parts. Each part measures five degrees (5°).

Cyclical

For planets in odd signs, the first shashtamsha occupies Aries. For planets in even signs, the first shashtamsha occupies Libra. The next part moves in the direct order. This method of casting is cyclical.

Cyclical Shashtamsha - D6			
Part	Degrees	**Odd Signs**	**Even Signs**
1	5^	Ari	Lib
2	10°	Tau	Sco
3	15°	Gem	Sag
4	20°	Can	Cap
5	25°	Leo	Aqu
6	30°	Vir	Pis

This varga chart finds mention in Jaimini sutras where it is called Kaulaka.

This chart is seen for proneness to physical illness and its cure. The attitude or anxiety in the profession, debts, litigations, disputes and enemies are also seen from this varga. The general health is studied. The saptvimshamsha chart shows the general strength of the body and the resistance to disease. This chart shows the onset of disease.

House Signification

Lagna - General proneness to disease and trouble by enemy. Self acquired problems.

Second House - Eating habits and the effect therefrom on the health. A benefic is welcome here.

Twelfth House - confinement, release from disease or enemy.

Examination

1. The sixth lord of birth chart is the main significator in D6 chart. When this afflicted sixth lord is placed in Lagna of D6, it denotes problems. The problems are visible in the dasha of most malefic planet or of chidra graha.
2. Mars even in sixth house in D6 is good and stops illness. The placement of M ars w ith respect of sixth lord of birth chart is seen in D6. If it is 3/11 or 4/10 then good and stops illness. Association of Mars with 6th, 8^{tr}, 12th, 2™ house/lords gives no resistance to disease.
3. Tenth lord of birth chart if related to sixth house/lord of D6 then one gests good fame in profession.
4. Sixth house is eleventh to eighth house. A strong 6th house contribute strength to eighth. It gives longevity and disease free life.
5. When malefics occupy sixth house, sixth lord is in angles and PAC malefics, the person is troubled by enemies and disease.
6. Benefic influence on sixth house/lord or Lagna/Lagna lord safeguards against enemies and diseases.
7. Relation of Lagna lord of DI, Lagna lord of D3 and Ketu is seen in D6 for cure.
8. Placement of Mars in fiery sign in D6 is best and the person is free from illness. When in earthy sign then there is satisfaction. In airy sign, the enemies will take away property. In watery sign the property is destroyed.
9. Sixth house is litigation also. Property is ruled by fourth house. The relation of fourth lord and sixth lord of birth chart is seen in D6. When they are 6/8 to each other then no gain even after a fight. When they are 2/12, the property will not be of any benefic use. When 5/9 it will go to the children and with 1/7 relation, it is only for false pride.

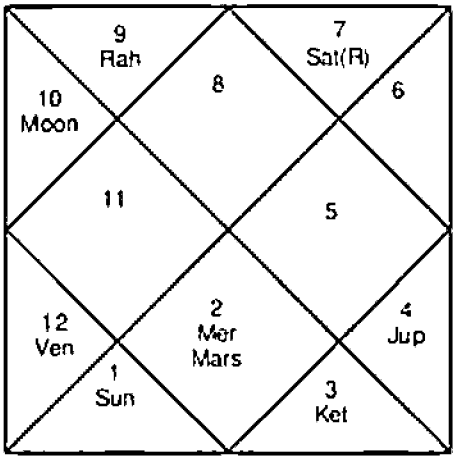

10. Ketu is the significator of illness. The relation of Ketu with sixth lord of natal chart is seen in D6. When they are badly placed from each other then we can expect trouble from illness.

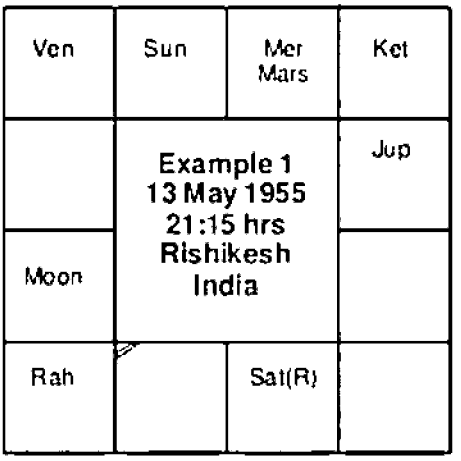

Example 1

A great horoscope. Four planets are exalted in birth chart.

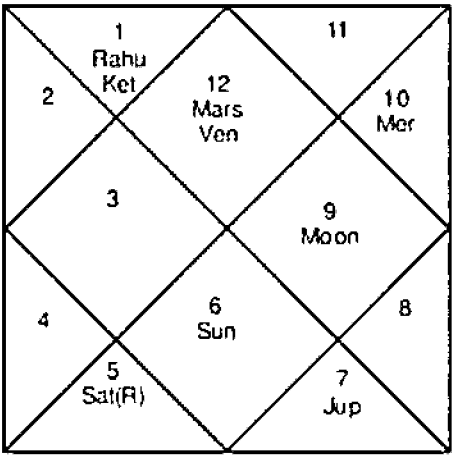

He belongs to an average family of Rishikesh. He had a troubled married life. He had a good business of transport but it was taken over by partners.

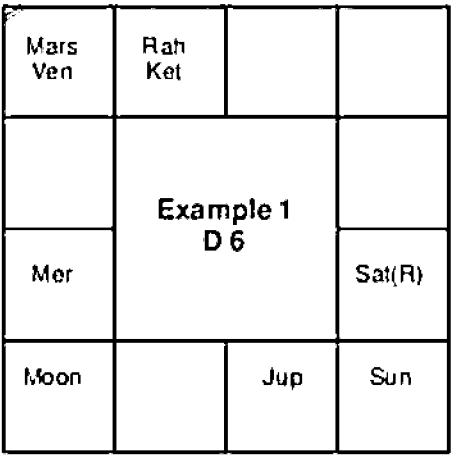

From dasha of Jupiter/Venus, the total business collapsed and he

Lag	Sun	Moon	Mars	Mer	Jup	Ven	Sat	Rah
28°19'	28°52'	12°30'	28°37'	18°52'	01°26'	29°37'	24°18'	03°35'

was in debt. Even daily needs could not be met and to top it, all sorts of ailments troubled him.

Lagna is occupied by sixth lord of natal chart giving problems of health etc.

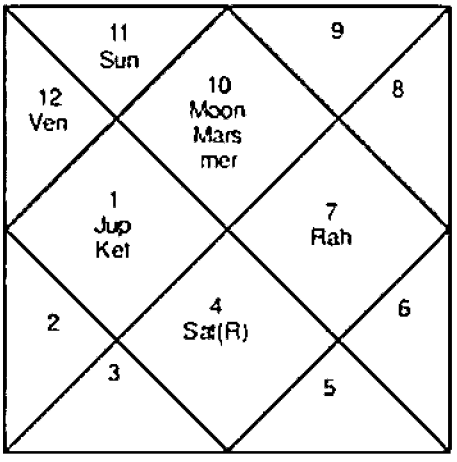

Lagna of shashtamsha is occupied by exalted Venus. Venus is third and eighth lord and is strong. Lagna is aspected by sixth lord Sun. Lagna lord and eighth lords have exchanged their places.

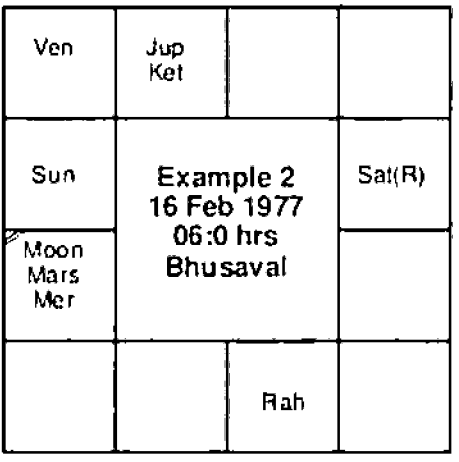

Troubles reached its peak in Jupiter/Venus. He died in the dasha period of Jupiter/Sun as a troubled person. Jupiter is in 8rr house and Venus is eighth lord.

Venus antardasha gave many diseases like diabetes, heart problems, and stomach ailments. He died of Hepatitis C.

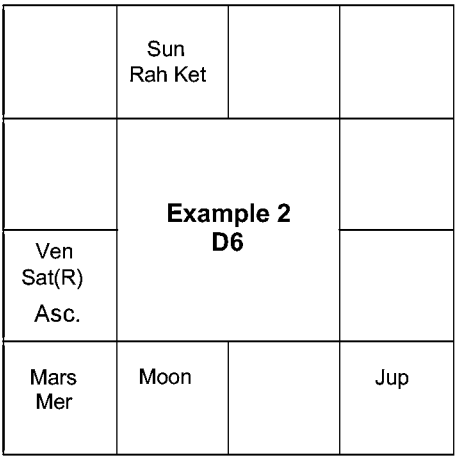

Example 2

This girl cleared the PCS examination of UP Government. She remained in great tension for not getting the placement for almost two years. She suffered head injury during the same period due to depression. The Vimshottari dasha was of Rahu/Mercury.

Lag	Sun	Moon	Mars	Mer	Jup	Ven	Sat	Rah
16°02'	03°41'	06°53'	11°29'	13°39'	29°17'	18°24'	18°48'	02°37'

The problem area can be located with the sixth and eighth lord in shashtamsha. Sun is the eighth lord and aspects tenth house. The sixth lord Mercury is in twelfth house with Mars.

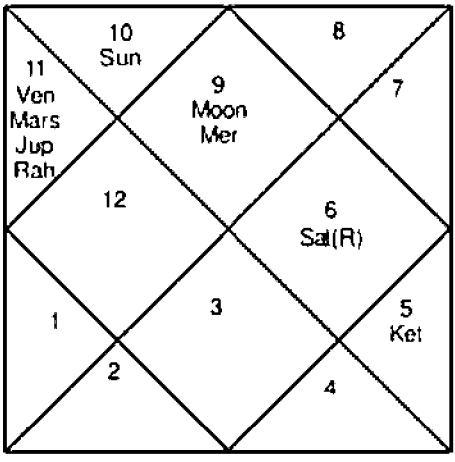

The tenth lord Venus is in Lagna with Lagna lord Saturn.

She got the job in Rahu/Venus. We can confirm it from dashamsha where Venus aspects tenth house and is yogkaraka of DIO.

Example 3

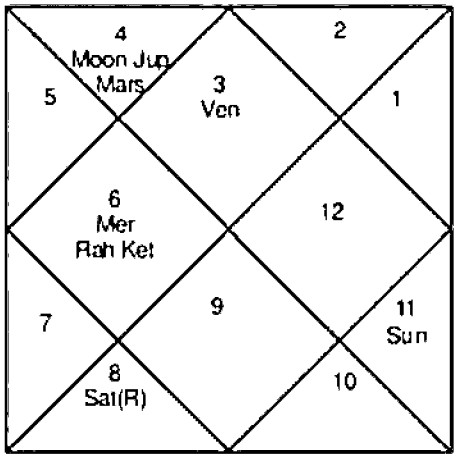

This person has all sorts of diseases. He is diabetic, eye problems, joint pain, and hypertension and feels completely exhausted. All these started developing from the Jupiter mahadasha.

Venus occupies the Lag na in shashtamsha and is the sixth lord of natal chart. The problem of ill health is seen.

Mars Ven Jup Rah	**Example 3 4 Feb 1951 05:0 hrs Mansa Punjab**
