Chapter 02

Argala in Prediction

Argala

Argala is an important consideration in deciding the mutual relation of houses, signs and the planets. The real picture emerges when we apply the Argala. It helps in correct assessment of the horoscope and in deciding the results of dasha.

Argala means lock. A lock is used for safe keeping of articles. It can also be used to prevent something to escape.

From any planet or house there are three types of Argala.

1. The planets in 4th, 2nd, and 11th cause Argala. These are countered or obstructed by planets in 10th, 12th and 3rd respectively.
2. Planets in 5th also cause Argala. This is countered by planets in 9th.
3. When there are three or more malefic in 3rd house, they cause Vipreet Argala and is very favorable.
4. When the planets causing Argala is stronger than those obstructing then the former will prevail. This is true for number of planets in both houses.
5. There is no counter for the Argala caused by three planets in third house.

6. The Argala caused by placement of a planet in first one fourth part of the sign is obstructed by planet placed in fourth quarter of obstructing sign. Similarly 2nd quarter Argala is obstructed by 3rd quarter placement. This is tabulated below.

Longitude of argala planet	**Longitude of obstructing planet**
0 deg. To 7 deg. 30 min.	22 deg. 30 min. to 30 deg.
7 deg. 30 min. to 15 deg.	15 deg. To 22 deg. 30 min.
15 deg. To 22 deg. 30 min.	7 deg. 30 min. to 15 deg.
22 deg. 30 min. to 30 deg.	0 deg. To 7 deg, 30 min.

Any planet not occupying this longitude will not cause obstruction.

7. The counting of Argala and obstruction will be in reverse direction for the nodes.

8. The Argala effects will be derived in dasha of sign or planets concerned.

Parashar has given the effects of Argala. The results of Argala as stated in BPHS are.

1. When there is an Argala on lagna, Arudha lagna and from seventh from them, the person will be famous and fortunate.

2. A malefic or a benefic causing unobstructed Argala and aspecting lagna will make a person famous. Similarly any house having unobstructed Argala and aspecting the house will enhance the signification of the house. These are tabulated for easy reference.
