I had no background about her at all,

A Swami, a disciple of Swami Shivananda of Rishikesh, who used to meet me. told me one day that a German woman dlsdple of his guru-bhai, Swami Vishnu Devananda, was coming to Delhi and wanted to have astrological consultation.

I asked him to get her horoscope made according to the time of her birth from some reliable astrologer.

The horoscope given here was handed over to me.

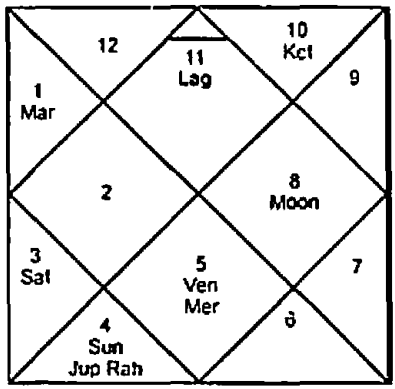

1. Jupiter aspecting Ketu In the 12th house here b good for spiritual life.
2. Jupiter with the Sun is the combination for ashram building activities.
3. Jupiter aspecting the 10th house Is good for religious activities.
4. From the Moon the 10* ford b the Sun with Jupiter.

CBI Step One

The first question I put to her was whether she was very actively associated with the temple building activities of her Guru.

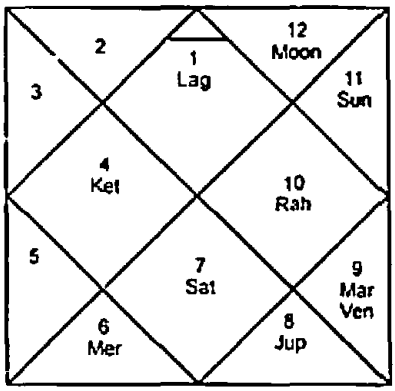

Now examine the 7* house.

1. There two benefics. Mercury the 5th lord In the 7* shows a marriage of her own choice which Is true In the case of any woman of western countries where arranged marriages are almost unknown.
2. The 7* lord, the Sun is with luplter. How could she remain unmarried at all?
3. Then, between 1964 and 1970 she had passed through the dasha of the Sun. a period In which she could not have avoided marriage.
4. The 7* ford, the Sun Is in the 6" house with Rahu which also received the aspect of Mars. Such a marriage could not have survived.
5. Satum. aspecting the 7* house from the 5th house, corroborates

the story of a broken marriage.

In the Navamsha, the 7* lord Venus with Mars, receiving the aspect of Saturn In a dual sign. Sagittarius can be a promise of a

second marriage

CBI Step Two

I asked whether she was married and divorced.

She said, "That is correct. Married in May 1969 and divorced in 1971."

The marriage would have taken place in the major period of the Sun. the 7* ford and the sub-period, Venus In the 7* house.

The divorce took place in May 1971 when she was running rhe period of the Moon, the 6* lord of divorce and the sub-period of Rahu In the 6* house.

TASK

She had come to meet me in the month of February 1984 and after that whenever she visited Indian to go to her Guru's ashram in south India, she went there via Delhi to meet me and take astrological consultation.

IPC

1. See the influence of the 9* ford on the 7* house affairs In this horoscope.
   (a) In the birth horoscope, the 9* lord is in the 7* house.
   (b) In the Navamsha, the 7* ford is in the 9* house.
2. Generally, south Indian astrologers do not favour the presence of the 5th ford in the 7* or vice versa and the presence of the 7* ford in the 9* or vice versa for the purposes of marriage
3. In this case, both in the birth horoscope and the Navamsha, the 9* lord has a dear role In the affairs of the 7* house.

She had come to meet me in the month of February 1984, when she was running the period of Mars-Mercury a period of marriage.

Jupiter was in Sagittarius in 1984 aspecting her 7* house. I shot a question at her. "Have you married recently or are thinking of marrying because your Guru has asked you to marry?

Here my perception at once helped me understand that the connection of the 9* ford with 7* house can mean her Guru asking her to marry.

She was surprised, amused and aghast and said, "It is fantastically correct. I got married only last week in Vaishnav Devi". She then pointed towards a European who had accompanied her and said that he was her second husband.

She came to meet me again when she was passing through the

period of Mars-Ketu.

1. Mars aspects the 6th house of disputes.
2. Ketu in the 12th house is the ashram of the Gurn.
3. In the Navamsha, the 4* ford, the Moon is in the 12th house receiving the aspect of Mars again.
4. Ketu in the 4* house in the Navamsha receiving the 8* aspect of Mars confirms the story of disputes.

She asked me how would her spiritual life be.

I said that she would get involved in a land dispute in Germany where she was looking after her Guru's ashram.

"Absolutely fantastic* she said.

This was precisely her problem.

"What next?", she asked me

I saw her Rahu dasha coming.

Rahu is in the 6* house receiving the aspect of Mars and is with Jupiter, the 2nd lord, the killer.

From the Moon, Jupiter is again the 2nd ford.

Clear danger to her health. I gave her a mild waning.

In 1993 I had an occasion to speak at the Sivananda Ashram at San Rafael, Sanfransisco, USA. There I told them that 1 knew G.F. of Shivananda Ashram, Germany.

They told me that she was suffering from cancer.
